

2023 Fundraising Events

Here at Wealth Matters, we want to help our chosen charities make a difference. We have three charities close to our heart which we are supporting this year. These are Oracle, Young Minds and the Ukrainian Humanitarian Appeal.

We are very excited to have set up not one, but two fundraising events this year. Both these events need staff participation and support from our wonderful clients in the form of donations.

Of course, to be deserving of your donations, we don't want any old easy challenge. No, we want suitably difficult challenges so you can see the merit in what we are trying to achieve.

Chiltern Walk on 9th September 2023

- A challenging 20-mile circuit to be walked by participating staff
- Estimated time to complete - 7 hours
- A shorter but just as challenging 10-mile circuit for other staff members

Virtual Journey from Luton to Kyiv from 1st March to 9th September 2023

- A virtual journey from our office in Luton to the capital of Ukraine, Kyiv
- We will be walking, jogging, cycling and swimming
- The miles we cover will be added together to reach our target of 1,588 miles

LUTON to KYIV
UPDATE: We have increased our target to include the return journey too – making this 3,176 miles.

We would greatly appreciate you helping us to support these three great charities by making a donation. We have a **target to raise £3,000**, which will be split equally between the three charities.

If you would like to make a donation, please click below to be taken to our donation webpage.
